1:Registration is easy

After agreeing with our terms of service, you can login using Facebook I.D. It's FREE!!

2:It`s easy and hassle-free

It works just like how you normally "share" things on Facebook.

3:You can choose what articles you want to share

You can be confident to share because it has passed a thorough review.

4:Incentives are calculated based on the number of share.

You can receive additional rewards when the article that they shared is shared by their friends, and in turn by the friends of their friends.

Only 2 steps registration!

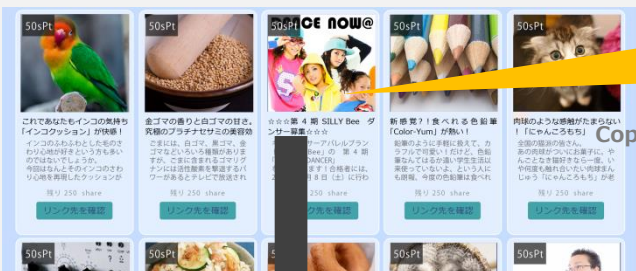

Share interesting articles you want.

Anybody can share it easily in 2 steps just like in Facebook.

Article information

Recently, there are frauds using “Like or Share” on Facebook.
In order to keep services of SHAREBOOK reliable,
we have carefully selected articles with following policies.

1

【Screening of Company】

We review the profile of a company using official company data file and other documentations. After verification, only those that passed the screening can have their articles published through SHAREBOOK.

2

【 Preventing Page Falsification 】

We strictly monitor all advertisement links and take action for all irregularities.

3

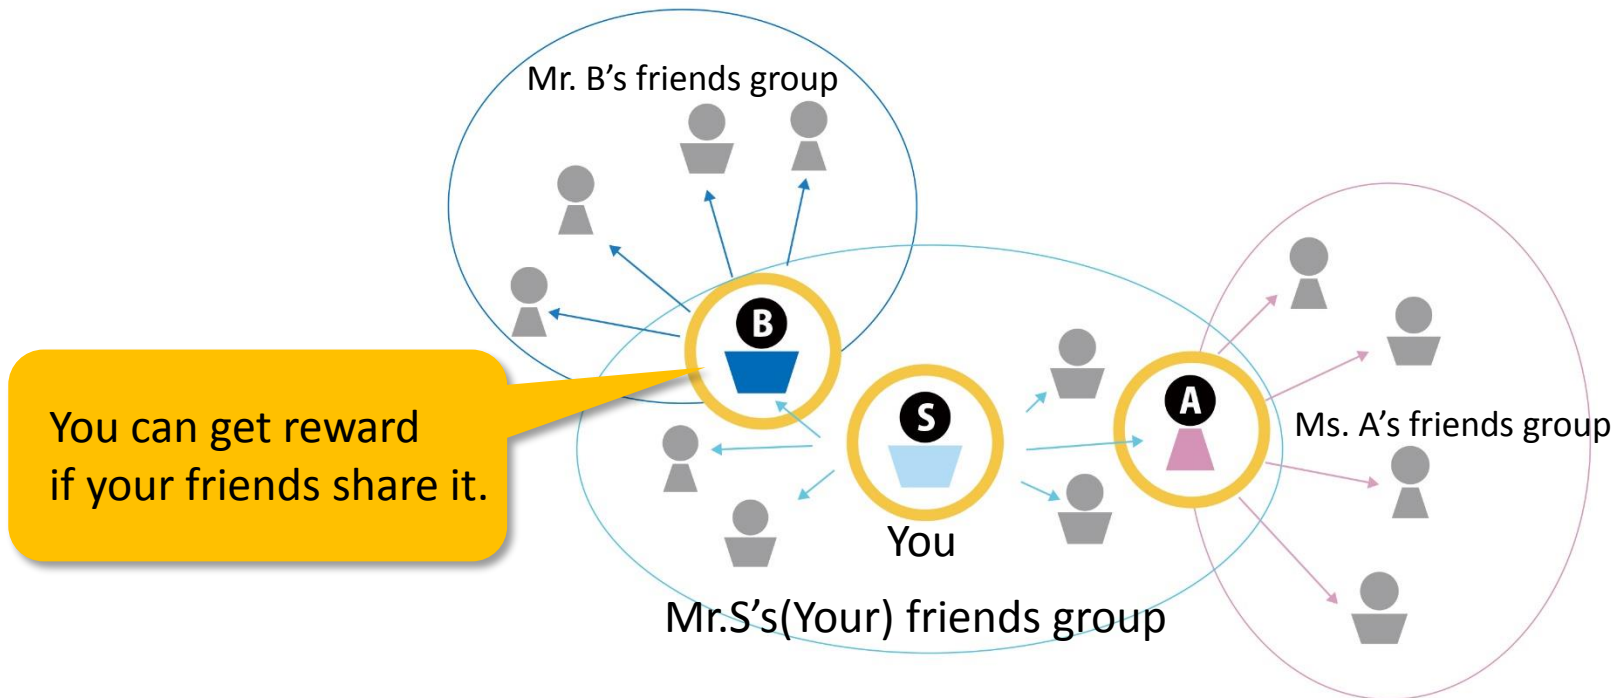

【Prompt Action】

Issues and/or concerns arising from the system will be resolved immediately.

We hope to build strong connection between SHAREBOOK
and the Sharer with this policy.

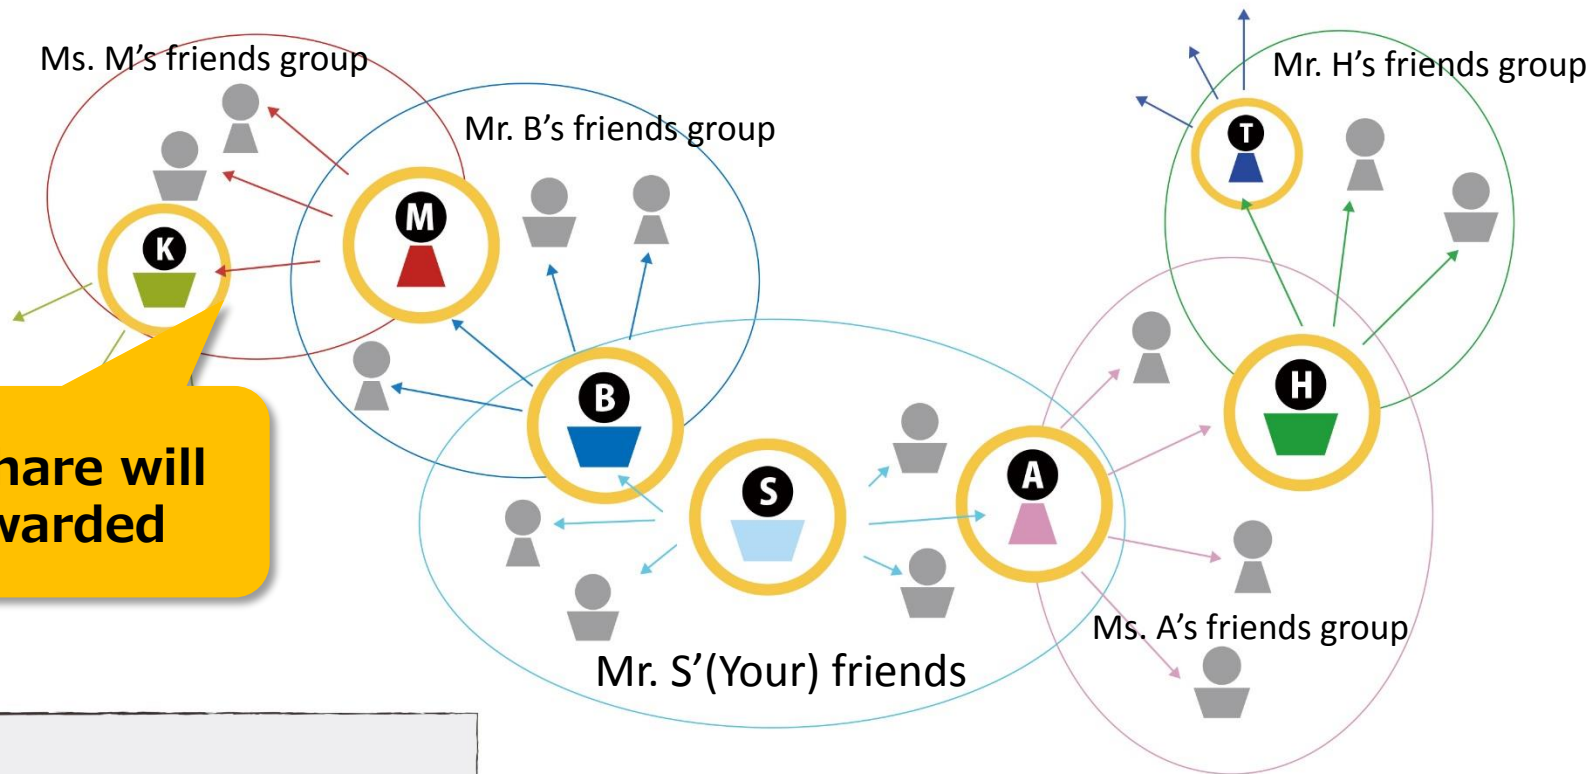

Mr. S can get incentives according to the number of shares` dispersal among his friends and to their connections` share.

$$\text{○} \times \text{¥}50 = 3 \times \text{¥}50 = \text{¥}150$$

※If a share costs 50yen.

Moreover, Mr. S can get incentives from Mr. B's and Ms.A's share and their friends` shares (K & M & H & T).

Every share will be rewarded

$$\text{○} \times \text{¥}50 = 7 \times \text{¥}50 = \text{¥}350$$

※If a share costs 50yen.

Incentive (SBCoin) system
