Revenue Cycle Solutions

 **RelayHealth** | Financial

**Healthy Revenue,
Healthy Future**

The patient is the center of every healthcare transaction, and your revenue depends on the quality of their overall experience. Positive financial and clinical experiences help ensure a healthier future for all.

RelayHealth Financial offers a complete suite of revenue cycle management solutions that help you:

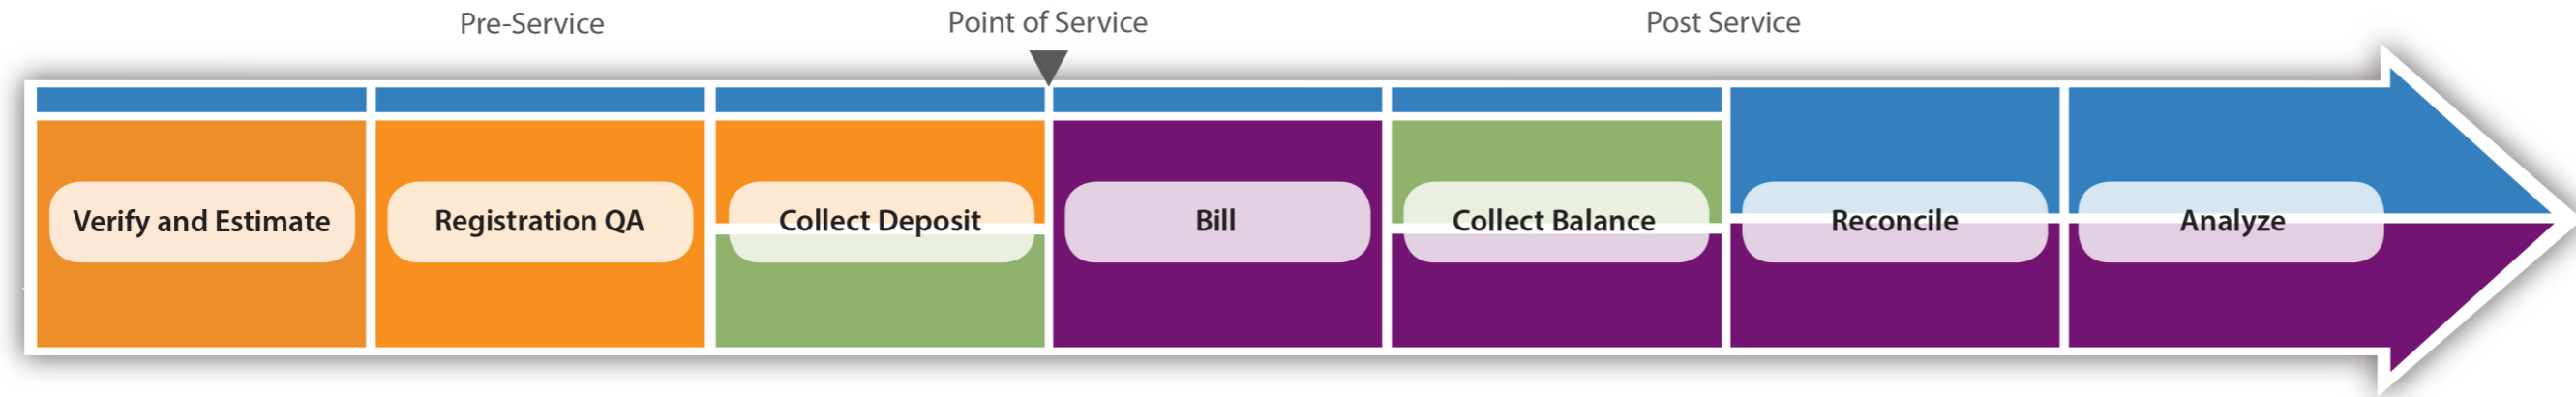

- Make confident decisions
- Streamline daily operations
- Deepen patient engagement

The bottom line is
better care.

Revenue Cycle Management Solutions

Patient

RelayClearance™ Plus

Clears the path with patient financial visibility to help:

- Increase patient registration data accuracy
