Top 100

LexisNexis® 2015 Top 100 Home Health and Hospice Agencies

An annual listing of the leading U.S. providers of home health and hospice services based on medical claims and patient volume data from the industry-leading MarketView™ claims database.

"Encompass Home Health moved from seventh on the Top Home Health Agencies list to fifth this year by executing on our acquisition strategy," said Luke James, Chief Strategy Officer, Encompass Home Health. "Using the information provided by LexisNexis/Health Market Science and the company's data experts, we had a lens into the competitive marketplace."
