

Barb Dehn, RN, MS, NP
BIOGRAPHY

Barb Dehn, RN, MS, NP is a Silicon Valley-based practicing women's health nurse practitioner, author, keynote speaker and nationally recognized medical professional. Credible and approachable, Nurse Barb makes medicine relevant and understandable. Her friendly personal style and talent for explaining complicated health matters have made her a popular health expert on CNN, ABC, NBC, CBS and Good Morning America. Based in Silicon Valley, Nurse Barb is the host of "*Nurse Barb's Daily Dose*" broadcast on ABC stations.
