RelayHealth Financial Denial Rate Dashboard Snapshot
(Data shown covers the period from Nov. 1 2015 to Feb. 26, 2016)

Denial Rate (%)   Last 7 days

Nov	Dec	Jan	February 1 - 25	Feb 20 - Feb 26
1.6	1.6	1.6	1.6%	1.6%

Denial Rate The original denial rate expressed as percentage of claim dollars that were initially denied for ICD impacted denial categories in relation to dollars billed on remitted claims. Denial rates displayed reflect only the denial categories of Authorization/Pre-Certification, Medical Coding, Medical Necessity, and Untimely Filing. Shown below is a Payer breakdown for the last 7 days.
