Dear Mr. Davis:

This is to confirm our recent conversation that the Grand Jury investigation in the above matter has concluded. This office is closing its file and is taking no further action.

This will also acknowledge that your client was fully cooperative in responding in both a timely and complete manner to the inquiries made by this office and Internal Revenue Service – Criminal Investigations.

Please feel free to contact me if you any questions.

Sincerely,

John R. Parker  
United States Attorney
