

WELCOME TO THE CONNECTED HOME

Thanks to new advances and innovations from GE Appliances, the connected home is more popular—and easier to use—than ever.

REAL LIFE. REAL CONNECTED.

Every day is different. That's why connected GE Appliances are designed to deliver real, everyday convenience for real, everyday moments. Here's a look at some of the most popular connected capabilities among homeowners—from the kitchen to the laundry room and everywhere in between.

Receive a notification when laundry is done.

Receive a notification for a service issue or required filter change.

Schedule hot water for your morning cup of coffee from your fridge.

Use Amazon Dash Replenishment to automatically order dishwasher pods.

Use the Geneva voice command to preheat the oven.

ONE SMART SUITE

GE Appliances offers the largest suite of connected appliances to bring connected convenience home. Plus, the connected GE Appliances already in homes are compatible—and automatically update whenever needed.

CONVENIENCE

With GE Appliances' Kitchen app, you can schedule your morning coffee. Just tell the app when you want it, and the hot water will be ready when you are.

PEACE OF MIND

Did you remember to turn off the oven? What about the load of laundry in the washer? Did it get put in the dryer? Now, you can receive notifications and check the status of your appliances from anywhere. No more worrying.

OPTIMAL PERFORMANCE

Get an alert if a leak is detected from your dishwasher. Keep your refrigerator running at optimum performance with software updates. WiFi Connect Appliances can help you know when something needs to be fixed.

OUR WIFI CONNECT APPS

GE Appliances' smartphone apps make it easy to set timers, start cycles and get cooking from anywhere.

Apps include: Kitchen | Comfort | Laundry | Monogram Kitchen

OUR PARTNERS

From adjusting recipes for extra guests to ordering laundry detergent automatically, GE Appliances has partnered with WiFi-connected leaders to deliver the ultimate connected convenience.
