What is Sea Buckthorn?

The Ancient Sea Buckthorn Berry - The Beauty Berry

Beauty and Anti-aging

Omega 7 in sea buckthorn has been long known to support healthier, younger-looking skin, hair, and nails.

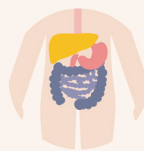

Powerful Antioxidants

Packed with powerful antioxidants that counters disease-causing free-radicals.

Anti-Diabetes

Omega 7 supports glucose uptake and insulin resistance, therefore helping reduce risk of diabetes and weight-gain.

Membrane Support

Omega 7 strengthens mucus membranes in gastrointestinal and urogenital tracts to counter vaginal dryness, dry-eyes, ulcers and heartburn. Especially helpful for women.

Anti-inflammatory

Sea buckthorn shown in many studies to enhance soft-tissue healing and reduce painful inflammation.

Cardiovascular Health

Sea buckthorn packed with Omega 7 and other heart-healthy compounds.
