

■ AEA2020 Entrants

#	Company	Country and Region
1	<b>Contactile</b>	Australia
	Tactile sensor for robots that measures 3D deflection and vibration	
2	<b>Anavision Ltd.</b>	China
	AI-based image analysis technology for data collected from drones and satellites	
3	<b>Healtel(Guangzhou) Medical Technology Co.,Ltd.</b>	China
	Precision injection micro MEMS pump with unique core IP used for insulin injection etc.	
4	<b>Onesight Technology Co.,Ltd.</b>	China
	Building life cycle management solution using AR / BIM / IoT	
5	<b>Ai Health Highway India Private Limited</b>	India
	A smart stethoscope that screens for heart and lung dysfunction using AI and machine learning based on heart and lung sound information	
6	<b>ENDIMENSION TECHNOLOGY PRIVATE LIMITED</b>	India
	SaaS-based AI cloud platform for diagnostic assistance in X-ray / CT examinations	
7	<b>Swasthya</b>	India
	A solution that calculates workplace infection risks by monitoring social distance and mask-wearing status	
8	<b>Turtle Shell Technologies Pvt Ltd</b>	India
	A non-contact vital monitoring solution that functions simply by placing the device under the mattress	
9	<b>Ghoonuts Inc.</b>	Japan
	Indoor location identification and analysis solution using Bluetooth from smartphone	
10	<b>Mantra Inc.</b>	Japan
	A manga translation tool equipped with a high-precision machine translation engine. It connects manga and readers across language barriers and achieves the same level of translation as humans	
11	<b>BIOGENES TECHNOLOGIES SDN BHD</b>	Malaysia
	A simple and fast aptamer-based disease testing solution applicable to COVID-19 and various other infectious diseases	

#	Company	Country and Region
12	<b>Nitium Technology Sdn. Bhd.</b>	Malaysia
	Porous nickel titanium (NiTi) dental implants with new materials and low-cost manufacturing technology	
13	<b>Chronoptics Limited</b>	New Zealand
	3D camera solution using advanced flight time depth sensing technology	
14	<b>Rumarocket Limited Incorporated</b>	Philippines
	HR platform utilizing behavioral science and machine learning	
15	<b>"Sensor-Tech" Limited Liability Company</b>	Russia
	Smart assistant solution for the hearing and visually impaired	
16	<b>4Blind</b>	Russia
	Communication support solution for the visually and hearing impaired	
17	<b>Care Mentor AI</b>	Russia
	Computer vision system that assists in the detection of tumors in radiodiagnosis	
18	<b>ECOPSY Technologies</b>	Russia
	A data-driven HR solution that includes an AI-based interview analysis system	
19	<b>Brain Pool Tech Private Limited</b>	Singapore
	Wide-area outdoor space management platform that combines 2D maps, 3D digital twins and sensors	
20	<b>JN Medsys Pte. Ltd.</b>	Singapore
	Accurate and reasonable genome analysis equipment for precision medicine that can also test COVID-19	
21	<b>Meracle Pte Ltd</b>	Singapore
	Device that visualizes medication upon inhalation with smartphone app solutions for patients with respiratory illness	
22	<b>Nplasty Pte Ltd</b>	Singapore
	Orthopedic surgery training solution by visual simulation using VR	
23	<b>OP SIS Pte. Ltd.</b>	Singapore
	Real-time sentiment analysis tool with facial expression image data based on psychological model	

#	Company	Country and Region
24	<b>Roceso Technologies Private Limited</b>	Singapore
	Soft robot exoskeleton solution for rehabilitation and daily life for patients with motor dysfunction	
25	<b>ioNetworks Inc.</b>	Taiwan
	Image / video analysis and management solution utilizing AI	
26	<b>PowerArena Corporation</b>	Taiwan
	A computer vision platform applicable to any general webcam, which identifies bottlenecks in a production line	
27	<b>Taiwan RedEye Biomedical Inc.</b>	Taiwan
	Hemoglobin detection system that detects blood in excrement in home medical monitoring	
28	<b>Eden Agritech Co., Ltd.</b>	Thailand
	A transparent edible film that protects food, such as fruits and vegetables, from deterioration	
29	<b>Energy Response Co., Ltd.</b>	Thailand
	AI/IoT platform that to streamline energy management in facilities, improving efficiency	
30	<b>VIETNAM HUNGRY BEAR INTERNET PTE. LTD. COMPANY</b>	Vietnam
	All-in-one platform for SMEs centered on smart POS
