

The P&G LifeLab Everyday is an all-new immersive experience that gives consumers a “virtual sneak peek” into how P&G is combining deep consumer understanding with cutting-edge technologies to make life a little bit easier, and the future a little bit brighter, every day.

P&G's Virtual Exhibit Includes:

PGLifeLab.com

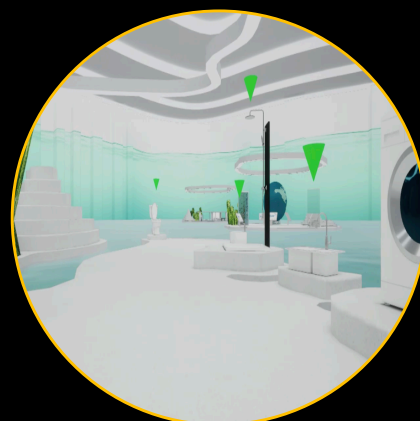

The Happy, Healthy, Hygienic Home Experience

comes to life as visitors explore how brands like Dawn, Febreze, Microban 24 and Cascade are helping them stay happy and healthy each day.

The Oral B iO Experience

brings you up close and personal with, showcasing how it provides you with a professional clean feel every day.

The 50L Home Coalition Experience

immerses visitors in the world of water, provides education around urban water systems, and demonstrates how we can impact the future.

The **Innovation Elevator** showcases the history of technology and innovation at P&G starting from when it was founded in 1837.

The **Connect with P&G Bar** invites partners and entrepreneurs to share their latest ideas with P&G experts in technology and innovation as we are looking for partners and are open for business.

The **Join P&G Bar** gives visitors an opportunity to talk with members of our Talent Supply Organization to learn more about potential job opportunities and careers at P&G.
