

# Younger women bring home the bacon

Married or partnered millennial and Gen X women (ages 24-55) are 1.5x more likely to be the primary household breadwinner.

# Financial roadblocks for women

Younger generations see more barriers in developing their financial skills.

# Women hungry for financial advice as anxiety grows

Over two-thirds of millennial and Gen X women (ages 24-55) get extremely anxious in times of uncertainty and many say they need financial advice now more than ever.
