

SURGICAL PACKS – Designed with the World’s Leading Surgeons in Mind

TRUSTED BY SURGEONS SINCE 1986

Let's advance animal healthcare together.

Veterinary Instrumentation (Vi) is proud to offer this complete line of veterinary surgical, orthopedic, and dental packs. These packs are the product of years of collaboration with some of the best veterinary surgeons in the world, resulting in hand-crafted operating room instruments made with German steel.

Let our years of design and development help you when it matters most for the animals in your care. Trust the experience and craftsmanship of Vi products.

You have the highest standards of patient care. That's why we offer operating-room-quality surgical instruments that have been field-tested worldwide for over three decades.

ORDERING GUIDE

Part Numbers Ending in "C"

Come with a fully autoclavable, aluminum, protective cassette with a clasped lid, to maintain and protect your surgery pack. Fits all autoclaves.

Part Numbers Ending in "T"

Come with a fully autoclavable, stainless steel, perforated tray to keep your instruments safe, secure, and organized. Fits all autoclaves.

Care & Comfort

The welfare of animals is our passion. That's why every Vi product is crafted to help you deliver the highest standard of patient care and positive post-operative outcomes.
