"While the global semiconductor chip shortage continues to create challenges, we saw improvement in March sales, as in-transit inventory improved 74 percent over February. F-Series had a record 50,000 new retail orders in March, while a record 41 percent of our overall retail sales came from previously placed retail orders. Our newest products continue to turn at a record pace, as Bronco, Bronco Sport, Mustang Mach-E and Maverick had their best combined sales performance yet, with 33,398 vehicles sold. Ford is ready to deliver and positioned well for spring sales growth."- Andrew Frick, vice president, Sales, Distribution \& Trucks
