

Own It

Which two cards are you going to own from start to finish this week? Remember to think about the CPE: Conception (What needs to get done?), Planning (When am I going to get it done? What do I need in order to get it done?) and the Execution (actually doing it). Discuss with your family what it means to CPE these two cards and place them here as a reminder of what you're owning this week

Out of Town

Your parents are going out of state for the next two weeks and they've left you completely in charge of the housework! Discuss what you will need to do while they're gone. What can you ask them before they leave in order to be successful?

HOME EQUITY

Close the Chore Gap with **FAIR PLAY**

Let's have more impactful dinner conversations! These exercises are designed to teach the next generation the skills they need to Close the Chore Gap at home using the game-changing Fair Play system.

Off Your Plate

Can you help take something off of someone's plate today?
Do you need to take something off your plate today?

Cleanup Time!

Can you spot the tasks that were done? Point to the differences in the kitchen sinks below.
