

Difference Maker Nonprofit Quote Sheet

"Our puppies have touched many lives beyond just our Hero recipients. We are extremely grateful for the T-Mobile Difference Maker Award. With the Difference Maker Award, we will continue our mission of "Helping to Heal Wounded Souls...One Puppy at a Time!" even beyond the borders of Colorado. Beginning June 1st of this year, we are offering our virtual PTSD service dog training program to U.S. Armed Forces Veterans and Emergency First Responders across the United States who are also living with PTSD. Hopefully touching more lives than we could ever have imagined."

"The summer is often slow for donations at care and share but a really important time because kids are out of school and don't have access to food. We appreciate T-Mobile making a donation which will help further the mission of Care and Share."

- **Nate Springer, President and CEO, Care and Share Food Bank**

"MaxFund's residents are often those with very serious medical challenges - challenges our team works hard to help them overcome. T-Mobile's gift allows us to provide that much additional care, saving the lives of some of our community's most vulnerable animals."

- **Kathy Gaines, Executive Director, MaxFund**

"The work we do at Heartspace Kids would not be possible without the support of our community and the generosity of so many. This donation will allow us to continue our mission of serving kids in need by removing the financial barrier many families face when trying to access quality mental health care and educational resources. It is our hope to never turn a family away from accessing care based on their ability to pay. Together we can build a happier, healthier, and more connected community, ensuring a brighter future for our kids."

- **Dina Mark, Founder, Heartspace Kids**

"We are so thankful for generous donors like T-Mobile, who help us continue to provide life-saving, expert care to kids in Southern Colorado," said Kyle Smith, Children's Hospital Colorado Foundation. "As a nonprofit pediatric hospital, we rely on philanthropy to ensure access to world-class pediatric expertise for every family who needs us. Generosity from our donors and our community drives life-saving innovations and discoveries for kids."
