

# The next phase of healthcare navigation starts today.

Introducing an expanded suite of solutions  
built on a new agentic AI platform.

QuantumHealth®

# Flexible solutions

Designed to meet employers where they are

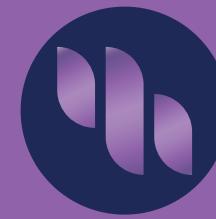

## Embold Plus

An easy entry point  
into healthcare  
navigation.

## Quantum Flex

Flexible navigation  
that adapts as  
needs evolve.

## Quantum Signature

The most  
comprehensive  
navigation experience.

“Since partnering with Quantum Health, we’re not seeing the big year-over-year cost increases other employers are facing. What we are seeing is more engaged, productive employees.

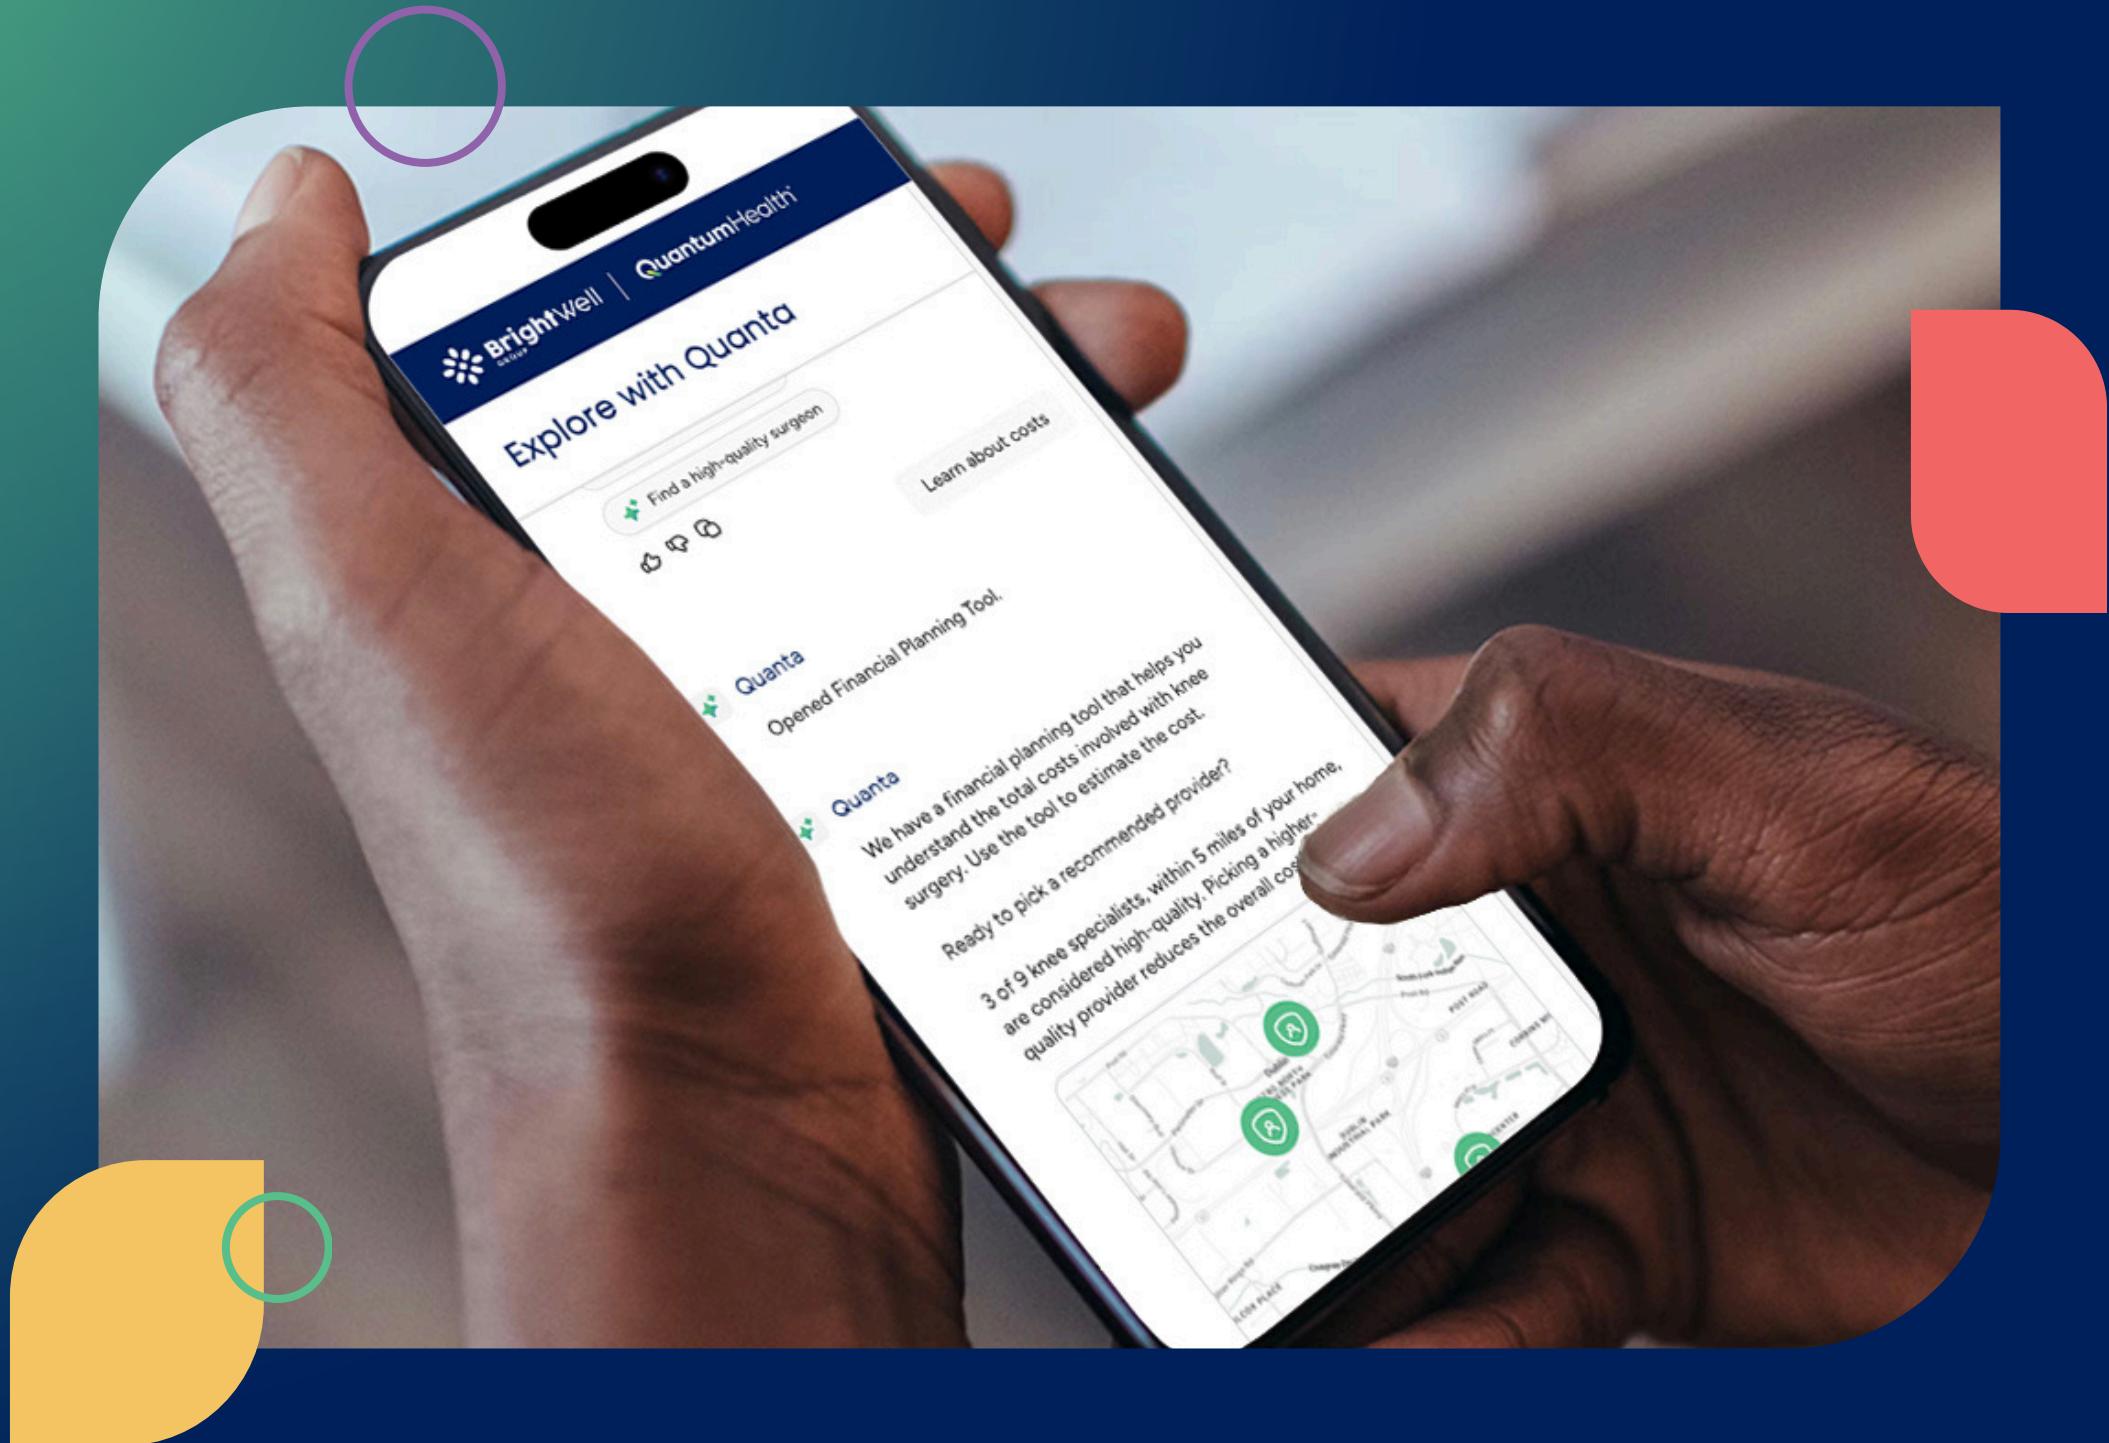

**Quantum Health removes the barriers so our people can do their best work.”**

**Michelle Johnson**

*Senior Director of Total Rewards  
and HR Operations at MAG Aerospace*

# Designed for better care

An elevated member experience, **powered by Embold Health**, delivers smarter provider steerage and better healthcare outcomes.

# A new member experience

Built on Agentic AI

Personalized, guided care across providers, virtual care, Centers of Excellence, and point solutions

Clear explanations of claims and benefits, including what to pay and why

Real-time visibility into healthcare costs and savings opportunities

A consolidated view of health information, preventive screenings, and medications

Healthcare is **complex**.  
It's **personal**.

And no one should have  
to navigate it alone.
