Re: Public Records Request No. P144351-011626

Dear Mr. Myers:

Enclosed is an invoice with estimated charges related to your public records request. Given the breadth of your request, we have identified almost 2 million potentially responsive emails that must be reviewed for responsiveness and potential redaction, along with non-email documents. The amounts reflected on the invoice are directly driven by the breadth of your request.

Please be advised that the Department requires full payment of the estimated invoice before we proceed with further processing, review or production of records.

If you wish to narrow the scope of your request or withdraw it, please let us know.

Sincerely,

Lori Huskisson  
Chief Legal Counsel
