(1) Unless otherwise noted, differences between net new assets and core net new assets are net flows from off-platform Schwab Bank Retail CDs.

(2) Net new assets before significant one-time inflows or outflows, such as acquisitions/divestitures or extraordinary flows (generally greater than $25 billion) relating to a specific client, and activity from off-platform Schwab Bank Retail CDs. These flows may span multiple reporting periods.

(3) Includes accounts in Retirement Plan Services, Stock Plan Services, Designated Brokerage Services, and Retirement Business Services. Participants may be enrolled in services in more than one Workplace business.

(4) Balances include margin loans and short credits related to certain long/short strategies from which the Company earns a fixed net yield. For the month of July 2026, margin loans totaled $46.2 billion and short credits totaled $48.0 billion.

(5) For additional information regarding STAX, please visit: https://www.schwab.com/investment-research/stax/view-schwab-trading-activity-index.

(6) Represents average total interest-earning assets on the Company's balance sheet. Beginning in December 2025, average balances of client margin loans and short credits related to certain client long/short strategies from which the Company earns a fixed net yield are excluded from average interest-earning assets. Prior period amounts have been adjusted accordingly.

(7) Transactional sweep cash includes bank sweep deposits, and broker-dealer cash balances, other client cash held on the balance sheet (such as bank checking and savings deposits, short credits related to certain client long/short strategies, and broker-dealer non-interest-bearing credits), and bank deposit account balances; excludes proprietary and third-party CDs.

(8) Schwab One®, certain cash equivalents, bank deposits, third-party bank deposit accounts, and money market fund balances as a percentage of total client assets; client cash excludes brokered CDs issued by Charles Schwab Bank.

(9) Represents the principal value of client mutual fund and ETF transactions handled by Schwab, including transactions in proprietary funds. Includes institutional funds available only to investment managers. Excludes money market fund transactions.
